### **3.1 Approved Junior Clubs**

**Junior clubs** competing in the junior competition must be approved by the **CBA Board**.

All Clubs must comply with CBA's Junior Club – Approval Process. The administration of each club is governed by the approved competition rules. In addition, this process provides an overview of the process by which a club could have their approved junior club' status revoked, and how this could be remedied.

For a club to be considered for status as an 'approved junior club', they would be required to provide the information detailed in the process to the CBA CEO for consideration, this includes and not limited to:

- Status as an incorporated association in Western Australia or an alternate governance structure for the CBA Board to consider.
- Contact list of inaugural committee members
- The constitution submitted as part of the incorporated association process.
- Uniform designs and colours prepared with prior consultation with CBA CEO.

For the purpose of these Rules, Aztecs, Binar, Coogee Basketball, Lightning Hoops Timber Tigers and Spearwood Hawks will be considered approved junior clubs (subject to 3.2 and 3.3), and are subject to these rules, at the time of initial adoption of these rules.

All further **Junior Club** approvals will be subject to a process available from **CBA Management**.

The **CBA Board** reserves the right to revoke the approved status of any junior club at any stage.

### **3.2 Contacts**

Each **Junior Club** is required to appoint a delegate for the **junior competition working group** and notify the **Competition and Program Manager** of their name and contact details.

In addition, any **Junior Club** approved after the acceptance of these **competition rules** (including those mentioned in 3.1) by the **CBA Board** must provide contact information of their current **committee** prior to the commencement of the next round of matches to **CBA Management**. **3.3.3 Junior Clubs** are required to provide **CBA Management** with a copy of their Annual General Meeting minutes when submitted to the relevant government department.

### **3.4 Uniforms**

All junior clubs playing in the **junior competition** are required to have club colours approved by the **Competition and Program Manager** prior to entering the competition, or, when modifying existing colours.

Any new uniforms purchased by **junior clubs** from the adoption of these rules are required to display the **Cockburn Basketball Association** logo on the chest pocket, or alternate position, if agreed.

All approved **junior clubs** are also bound by rule 5.4 relating to playing uniforms and associated penalties for non-compliance, including the wearing of **CBA** black shorts.

**3.5.2 The Competition and Program Manager** reserves the right to allow a junior club to exceed this amount, with **CBA management** approval, provided it is deemed to be in the best interests of the competition.

**3.5.3** Any new Under 8 and Under 10 teams will be evenly allocated amongst junior clubs by the **competitions coordinator** to ensure as close to an even representation as possible inside each age group. This is a guide and may not always be possible.

3.5.4 Upon the opening of registrations for a new season, junior clubs will be guaranteed the number of individual athletes (**junior club cap**) it had registered for the prior season as a minimum, providing it does not contravene any of these rules.
